Popular Nigerian preacher and founder of The Synagogue Church Of All Nations (SCOAN), Temitope Balogun Joshua, has released 'a video you will never forget'.

The controversial video which was released on Youtube a week ago show the healing of a man with horrific snake-like scales across his body. The clip titled: '*A Video You Will Never Forget*' showed one Anambra state born Mr Jude Oraka with a scale-like skin receiving prayer from the popular cleric during a prayer service at

The Synagogue, Church Of All Nations (SCOAN) in Lagos.

Oraka's sister said the rare skin situation was noticed on her brother , about six years ago and since then, no medical help was able to solve it. She described him as a "*walking corpse*" whom the family had given up on. However, several months after receiving prayer, Oraka, who works as a driver, returned with smooth skin to testify that "*he was healed by Jesus Christ through T.B. Joshua*".
